

At *The Compass Needle* each garment is made to order. It is made for YOU. For your shoulders, legs, and arms. In your favorite colors, or those of your club. In addition, our clothes are made to last. We use Supplex nylon, one of the most comfortable and durable fabrics on the market today.

Embroidery

Add a your name, your club, or a logo! Now you can personalize your O-suit. Price based on stitch count. Digitizing extra.

O-Shirt

A pullover shirt with a crossover neck. Long or short sleeves. Neckline and bottom of sleeves trimmed in Lycra.

O-Pants

Pull-on pants with an elastic drawcord waist. Standard pockets include an open patch pocket on the left front and a patch pocket with a Velcro flap on the right front. Options include stripes either down the sides or at a diagonal on one leg. "Gaiter Pants" add a pocket to the inside front of each leg with a Velcro flap closure. Into this pocket foam padding is inserted eliminating the need for gaiters.

Miscellaneous

Shipping charges will be added to all orders. We ship using Priority Mail from the Postal Service with Delivery Confirmation. The 2-pound rate will usually cover 3 to 4 garments.

We do not offer a discount for children's sizes, but we do offer "grow stripes". These are three 1" tucks that can be let out to give your child extra length. Please ask for this option when ordering.

We use Supplex for our orienteering clothes. Supplex is 100% nylon that feels like cotton. It breathes, dries quickly, and is extremely durable.

About Us

The Compass Needle was begun in 1996 while trying to find more durable Orienteering clothes. We tried to maintain the traditional styling while using more technical fabrics that would provide comfort, ease of care, and durability.

Your satisfaction is of the utmost importance to us. If you have comments or suggestions, please let us know.
